

**Your guest entertainment.
Your way.**

From live TV to enhanced viewing experiences like streaming and casting, deliver guest entertainment your way with DISH Business — all at a price you'll love.

SMARTBOX® 2

For the very best in live TV, our SMARTBOX 2 works seamlessly with your existing in-room TVs, powering entertainment across your entire property from one compact device.

- Compact, powerful design saves space, energy and money
- No set-top box, complex rewiring or bulky rack needed
- Up to 192 channels of HD TV, including 4K
- Complete remote management capabilities

OnStream®

Add our innovative OnStream platform for an elevated experience with next-level entertainment that puts guests in control.

- Native casting that makes guest-owned content readily available on hotel TVs
- Streaming from your guests' favorite third-party apps
- Personal device entertainment that allows your guests to watch your hotel's TV lineup on their own devices, without impacting your Wi-Fi bandwidth
- Flexible integrations with PMS and other back-end systems to enable personalization and guest self-service requests via in-room TVs

Choice Approved Integrators:
