

We've got your streaming standard covered.

Every property is different. Our technology works **with your existing infrastructure** to deliver an affordable solution that meets Best Western's streaming standard.

Best Western's Updated Streaming Requirement. Now in effect

Best Western now requires 50-inch commercial-grade TVs and two popular streaming apps — casting functionality is optional. HBO or SHOWTIME delivered via satellite/cable can count as one of the required streaming apps.

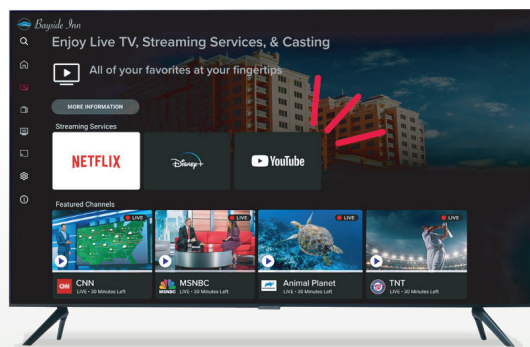

Power live TV across your entire property with SMARTBOX® 2

- **One compact**, microwave-sized box saves space and uses 90% less power than cable distribution systems
- **No complex rewiring** or bulky rack needed
- **Up to 192 channels** of live HD TV, including 4K
- **Complete** remote management capabilities

Delight guests with OnStream®

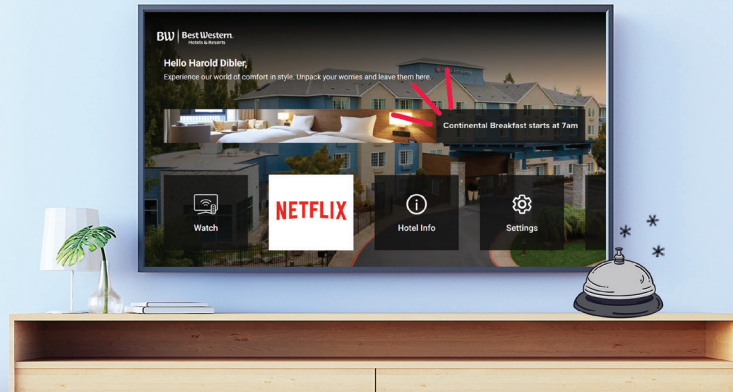

Live TV, streaming, and casting provide endless entertainment without switching inputs.

- **Responsive visual channel guide** lets guests flip through options quickly
- **Optional genre filters** help guests easily browse live TV programming by category
- **Netflix and YouTube** make it easy for guests to stream their favorites
- **Google Play Store Integration** keeps streaming app selection up to date
- **Automatically clears guest credentials** to maintain security
- **Seamless casting** via Chromecast built-in™
- **Universal Search** makes it easy to find content across any application
