

# DISH Business: Your partner in possibility

DISH Business delivers leading-edge commercial entertainment technology shaped by years of innovation. Powering over 2,000,000 rooms across all 50 states, we're the trusted entertainment partner for customer-focused businesses nationwide.

## Nationwide reliability

**99%** signal reliability

## Unmatched satisfaction

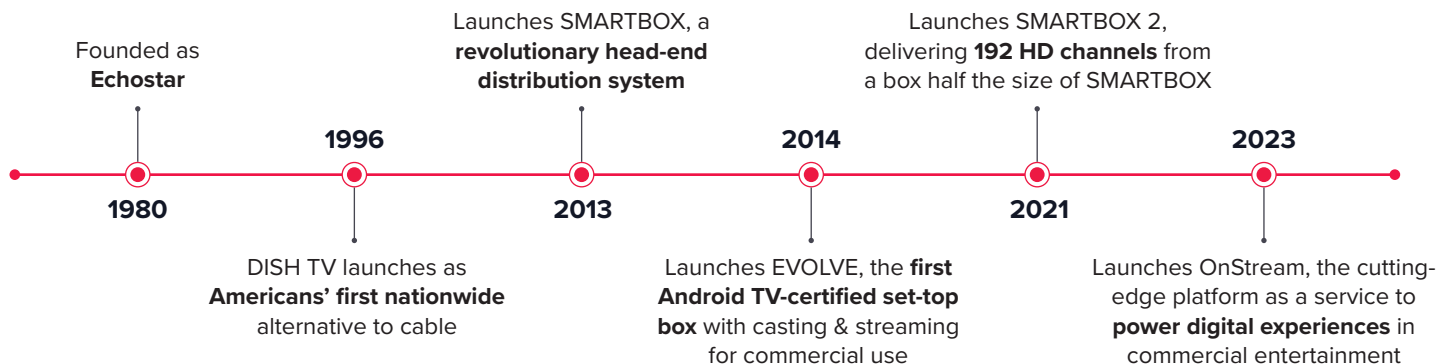

**#1** Rated #1 in customer satisfaction by J.D. Power 5 years in a row

## 24/7 support

**8000+** certified technicians and partners to support installation and maintenance

## Rooted in innovation

Since our early years as the pioneer in residential satellite entertainment, we've expanded with purpose-built commercial grade technology to serve industries from travel and hospitality to retail, dining and more.

Proudly serving these brands—and many more

Wherever you're going,  
let's get there together

Businesses grow. Industries change. And customers always want more. That's why our technology is built to evolve with you.

From ongoing advancements in entertainment experience to future-ready 5G, watch what's possible with DISH Business.
